MEMORANDUM FOR: Chief, Regulations Control Staff

SUBJECT: Comments on Proposed Regulation [REDACTED]
"Marriage of Employees to Aliens."

1. In the interests of clarity, certain minor amendments are suggested to the text of this Proposed Regulation, as follows:

a. Under Section 3.b.(1)(a): It is suggested that an asterisk be placed after the term "The appropriate Operating Official*" and that the entire sentence that follows Section 3.b.(1)(c), defining the term "Operating Official" be then inserted at the bottom of the page, or wherever else appropriate, as a footnote. It is also suggested that the asterisk be applied after "The Assistant Director for Personnel*" which appears in Section 3.b.(1)(b) in the Proposed Regulation, for the same reason.

Between the present (a) and (b) of the same Section, it is suggested that there be inserted, and given the designation (b), the phrase, "The Operating Official having the career responsibility for the employee." It is believed that this change would permit dropping in its entirety the complication Section 3.b.(2). If adopted, this change would cause the present 3.b.(1)(b) and (c) to be redesignated (c) and (d) respectively.

b. Under Section 3.c: It is suggested that the phrase "When an Operating Official has jurisdiction over, as well as the career responsibility for, the employee, his recommendation will cover both phases and will so indicate," be added as an additional sentence after that ending "under his jurisdiction."
